Travel Scholarships to the Faroe Islands 2008

Second call for applications

Travel Scholarships are available on the University budget for 2008.

Grants will be given to assist with travelling expenses in amounts as follows: DKK 3,000 to applicants from Denmark, Iceland and Great Britain, DKK 4,000 to applicants from Norway, Sweden and Finland, and DKK 5,000 to applicants from other countries. Student groups will receive smaller amounts per person than above mentioned.

The scholarships will be awarded to non-Faroese students pursuing higher education or to research students (Ph.D.).

The journey must be part of the applicant's studies or research work, related to Faroese matters. The application must include a confirmation of a visiting agreement with the University of the Faroe Islands or cooperating institutes, in addition to a confirmation from the home university that the travel is part of the applicant's educational programme. If there are more qualified applications than grants available, the University will prioritize those applications that have the best project description.

The scholarship will be available upon arrival in the Faroe Islands.

Applications must be submitted on forms available on www.setur.fo. The application must be received by 15th June, 2008. Incomplete applications or applications received later than 15th June will not be accepted.
