

Travel Scholarships to the Faroe Islands 2019

Travel Scholarships are available on the University budget for 2019.

Grants can be given to partially cover travel expenses. The amounts are as follows: 3,000 DKK to applicants from Denmark, Iceland and Great Britain, 4,000 DKK to applicants from Norway, Sweden and Finland, and 5,000 DKK to applicants from other countries. Groups of students groups will receive smaller amounts per person than above mentioned.

This scholarship is awarded to foreign students pursuing higher education in the Faroe Islands, to research students (Ph.D.), and other visiting students (e.g. Faroese Summer Institute participants).

The journey must be part of the applicant's studies or research work, related to Faroese matters. The application must include a confirmation of a visiting agreement with the University of the Faroe Islands or cooperating institutes, in addition to confirmation from the home university that the travel is part of the applicant's educational programme. If there are more qualified applications than grants available, the University will prioritize those applications that have the best project description.

The scholarship will be available upon arrival in the Faroe Islands.

Application forms are available on www.setur.fo and must be submitted to the address given below or by email (with a scanned signature) to setur@setur.fo. The application deadline is 1 May 2019. Incomplete applications or applications received later than 1 May will not be accepted.
